## Project Scheduling and Risk

“Does Scheduling Matter? - Managing Risks Well”

10:00 - 12:00 repeated 14:00 - 16:00 on Tuesday 13th May 2008, Southampton

### Topics and Speakers:

Dr Raf Dua, from MPI Australia, kicks off with a fresh look at project scheduling techniques.

Mark Swabey from Risk Reasoning Ltd follows with a new approach to Risk Management and an introduction to Risk Aid.

John Cornish from MPI Europe will use Micro Planner X-Pert to show how risk planning can be integrated as a ‘Sub-Project’ within the overall project plan.

### Who Should Attend?

This seminar is for Project Managers, Project Risk Managers, Planners and Schedulers who want to know about the latest developments in project planning and risk management tools.

If you are looking for best-practice tools to support project management and risk management, then this seminar is for you.

### Venue:

Conference Room 2, Kenneth Dibden Building, Enterprise Road, Chilworth Science Park, Chilworth, Hampshire, SO16 7NP Ample free car parking on-site.

### Directions:

Visit <http://www.science-park.co.uk/> for maps and routes.

### Price:

Free. The event is sponsored by Micro Planning International Ltd & Risk Reasoning Ltd.

### Reservations:

Seating is limited. Secure your place by emailing your name, organisation, telephone number, and position and state your preference for the AM or PM seminar, to [john@microplanning.co.uk](mailto:john@microplanning.co.uk) and your booking will be confirmed by email.
